FCC Do Not Call List

The national Do Not Call list protects home voice or personal wireless phone numbers. You can register your numbers on the national Do Not Call list by phone or on the Internet at no cost.

- To register via the Internet, go to www.donotcall.gov.
- To register by phone, call 1-888-382-1222 (voice) or 1-866-290-4236 (TTY).
You must call from the phone number you wish to register.

Callers are prohibited from making telephone solicitations to any numbers on the Do Not Call list. Your numbers will remain on the list until you remove them or discontinue service – there is no need to re-register numbers. Telemarketers must remove your numbers from their call lists and stop calling you within 31 days from the date you register.
